

BEG (Belgium)

BEG-04 Prior authorization is required from:

Federal Agency for Nuclear Control

Ravensteinstraat 36

1000 Brussels

BELGIUM

Tel: +32 (2) 289 2111

Fax: +32 (2) 289 2112

E-mail: info@fanc.fgov.be

For transport from, to or in transit through Belgium of radioactive substances and fissile substances of which the quantities exceed the limits of activity defined in the General Regulations for the Protection of the Population, Workers and Environment against the Dangers of Ionizing Radiations (Royal Decree of 20 July 2001). Authorization is furthermore subject to the agreement of the:

Belgian Civil Aviation Administration

Ministry of Communications and Infrastructure

CNN

Rue du Progrès 80

1030 Brussels

BELGIUM

The carriage by aircraft over the territory of the Kingdom of Belgium of:

1. Fissile radioactive material as defined in 10.3.7.1 in quantities exceeding the limits set out in 10.3.7.2; and

2. Radioactive material

- in a Type B(U) package containing more than 3,000 A1 or 3,000 A2 or 1,000 TBq, whichever is the lower; or

- in a Type B(M) package; or

- in a Type C package containing more than 3,000 A1 or 3,000 A2 or 1,000 TBq, whichever is the lower; or

- transported under special arrangement;

Shall not be accepted without prior permission by the Belgian Civil Aviation Administration.

BEG-05 All transport of dangerous goods by air is subject to a special or general authorization delivered to the operator by the Director General of the:

Belgian Civil Aviation Administration

Ministry of Communications and Infrastructure

CNN

Rue du Progrès 80

1030 Brussels

BELGIUM

Except for radioactive materials and fissile substances which are submitted to BEG-04 and for dangerous goods forbidden without special provisions A1 and A2, this variation does not apply to dangerous goods in case of overflight of the Belgian territory by foreign operators, provided that the operator has a general permission from its State of registry to carry dangerous goods according to the provisions of these Regulations.

BHG (Bahrain)

BHG-02 The Kingdom of Bahrain legislation expressly forbids the transport of the following items by aircraft, except with the prior permission from Civil Aviation Affairs and in accordance with the conditions mentioned in this permission:

radioactive material, radioisotopes and similar substances;
